Student Testimonial

“I found the classes to be very helpful and hints about the exam to be extremely valuable. The booklet provided was easy to understand, as well as being extra notes to refer too. It was amazing in a few weeks of attending I'd improved and gained a lot of confidence for my upcoming SACs and exams. The presenter was more than happy to answer any queries and uncertainties in any area I had. She gave excellent tips and made me feel comfortable and confident in my ability to do well. I really recommend to all VCE Biology students.” *Yr 12 student, MLC*
